Genesis Transportation Services, LLC provides wheelchair and ambulatory transportation to a vast majority of clients all over the state of Mississippi. Our mission is to have a significant impact on our clients with disabilities, debilitating illnesses, age related conditions, and other diagnosis that require regular medical appointments. Our reliability, commitment, safety, and integrity is one in a million.

Core Competencies

As a NEMT Provider, and having a Nursing Degree, We know the importance of making sure clients are transported to their doctor appointments. Therefore, reliability and safety is our number one goal. With our wheelchair equipped vehicles, we can transport wheelchair and ambulatory clients for the purpose of receiving treatment for dialysis, physical therapy, chemotherapy, medical evaluations, dental visits, pharmacy transports, and more. Our drivers are certified in adult and child CPR, AED, FIRST AID, Defensive Driving, Wheelchair Securement, Passenger Assistance Safety and Sensitivity, and Customer Service. All staff members are background checked, finger printed, and regular drug testing.

We guarantee punctuality, integrity, excellence, and compassion. Let us provide you and your loved ones with the peace of mind you deserve.
